

Custom Printed Paper Rolls

POSPaper.com offers custom printing on all of our paper rolls including Point-of-Sale, ATM and Kiosk rolls. Our paper rolls can be imprinted to allow any customer to personalize their receipt rolls by adding company logos, special messages, coupons, customer surveys, and return policies.

Features Include

- ✓ Customized receipts in up to 4 colors without costly set-up fees
- ✓ Low minimums of only 5 cartons with the capability to custom tailor receipts for special promotions or geographical areas
- ✓ In-house graphic arts group to assist with artwork development at no additional charge
- ✓ Able to match a wide variety of ink colors including the latest security inks
- ✓ Customized distribution programs for large and small stores throughout the US

Benefits

- ✓ Allows customers of any size to use the printed receipt as a powerful marketing tool to promote their company and its products
- ✓ Print return and exchange policies
- ✓ Promote new products or services
- ✓ Gives customer a better more professional impression of your company
- ✓ Promotes a good corporate identity and brand awareness
